ANNUAL REPORT FY 2014-15

Growth

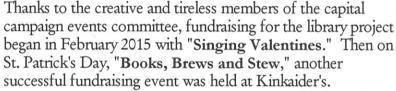

@your library

In December of 2014, nearly 40 individuals attended a meeting to organize capital campaign committees for the library's renovation and addition. "Love Your Library—Expand Our Future" was the slogan selected by the group and fundraising began!

Huntrex, a local creative network business, helped update the library's website so online capital campaign donations could be made. The business also produced a video for the capital campaign that is imbedded in our website, shown at the Tiffany Theater, available on Facebook, and used for fundraising events.

Fundraising events continued in June with a food stand during the Tour de Nebraska bike ride and a highlight of last year's fundraising events was the "Dueling Duo" piano request show at the One Box Convention Center in July. A nearly sold-out show netted over \$6,000 for the library addition and renovation. The final summer fundraiser was an "Evening of the Arts" held at the library the end of August. Amazing art pieces donated by the Arrow Artists, Wild Rose Gallery artists, and other area talent were sold at silent auction. Attendees were entertained by the Custer County Orchestra, enjoyed wine tasting by Mac's Creek, and hors d'oeuvres from the Bonfire. Approximately \$5,100 was added to the fundraising that evening through the auction and donations.

"Chapin's for the Children" was the last fundraiser for the library project during the 2014-15 fiscal year when 100% of the sales at Chapin's Furniture on September 17th was donated to the capital campaign! This amazing generosity resulted in nearly \$12,000 donated to the library project.

The response to the fundraising efforts was amazing! By the end of the 2014-15 fiscal year, nearly \$205,000 had been donated or pledged by over 100 individuals, businesses and two foundations. Adding the donations and grants, as well as the \$500,000 allocated by the City of Broken Bow, fundraising totaled over \$705,000 from December 2014 through September 2015!

THANK YOU to everyone who made the library renovation/ addition fundraising efforts in FY 2014-15 so successful!

Activities @your library

Over 275 children and parents attended the annual holiday story time in December 2014. The highlight of the event was Santa's arrival, the stories he read, and the time he spent with each child. This celebration has become a highlight of the year!

"Adopt a Grandparent" is a new holiday event started in 2014. Each resident of Off Broadway provided an ornament with a list of small gifts they would enjoy and families selected the ornament from a tree here at the library. Then on December 18th, 110 parents and children brought the gifts to Off Broadway for an hourlong party. The event was the perfect gathering for all ages and will be held annually.

The Teen Advisory Board (TAB) held a "stuffed animal sleepover" in January of 2015. Children left 21 of their favorite stuffed animals overnight and the animals (with help from the teens) compiled a booklet about their stay at the library. A special story time reuniting children with their beloved stuffed animals was held the next morning.

Also in January, the library hosted staff and animals from the Kansas Specialty Dog Service (KSDS) who presented a program about specialty dogs and their services. Over 55 adults and children attended.

The 4th Annual Daddy/Daughter Date Night was held in February 2015. 63 dads and daughters enjoyed a special evening that included a catered meal, games, and dancing.

The 6th Annual Dr. Seuss Birthday Celebration was held March 3-6th and over 730 people came to the library that week to join in the celebration!

On March 24th, a special library story time was held at the library featuring Queen Elsa and Princess Anna, characters from the *Frozen* movie, who came to life for the 300+ in attendance.

In March and April, the library hosted the Broken Bow K-4th grade "Kids Creation" art show, the Broken Bow 5-6th grades Super Scholars Quilt Show, and the Broken Bow daycare and preschool art show.

"Every Hero Has a Story," the 2015 children's summer reading program was a great success. 175 children ranging from infants through those in 5th grade registered for the program and 156 of them recorded time spent reading for a total of 1,864 reading hours! There were 69 grand prize winners this year and averaged 378 in weekly attendance! We greatly appreciate the local businesses that help provide weekly prizes for children completing reading forms.
